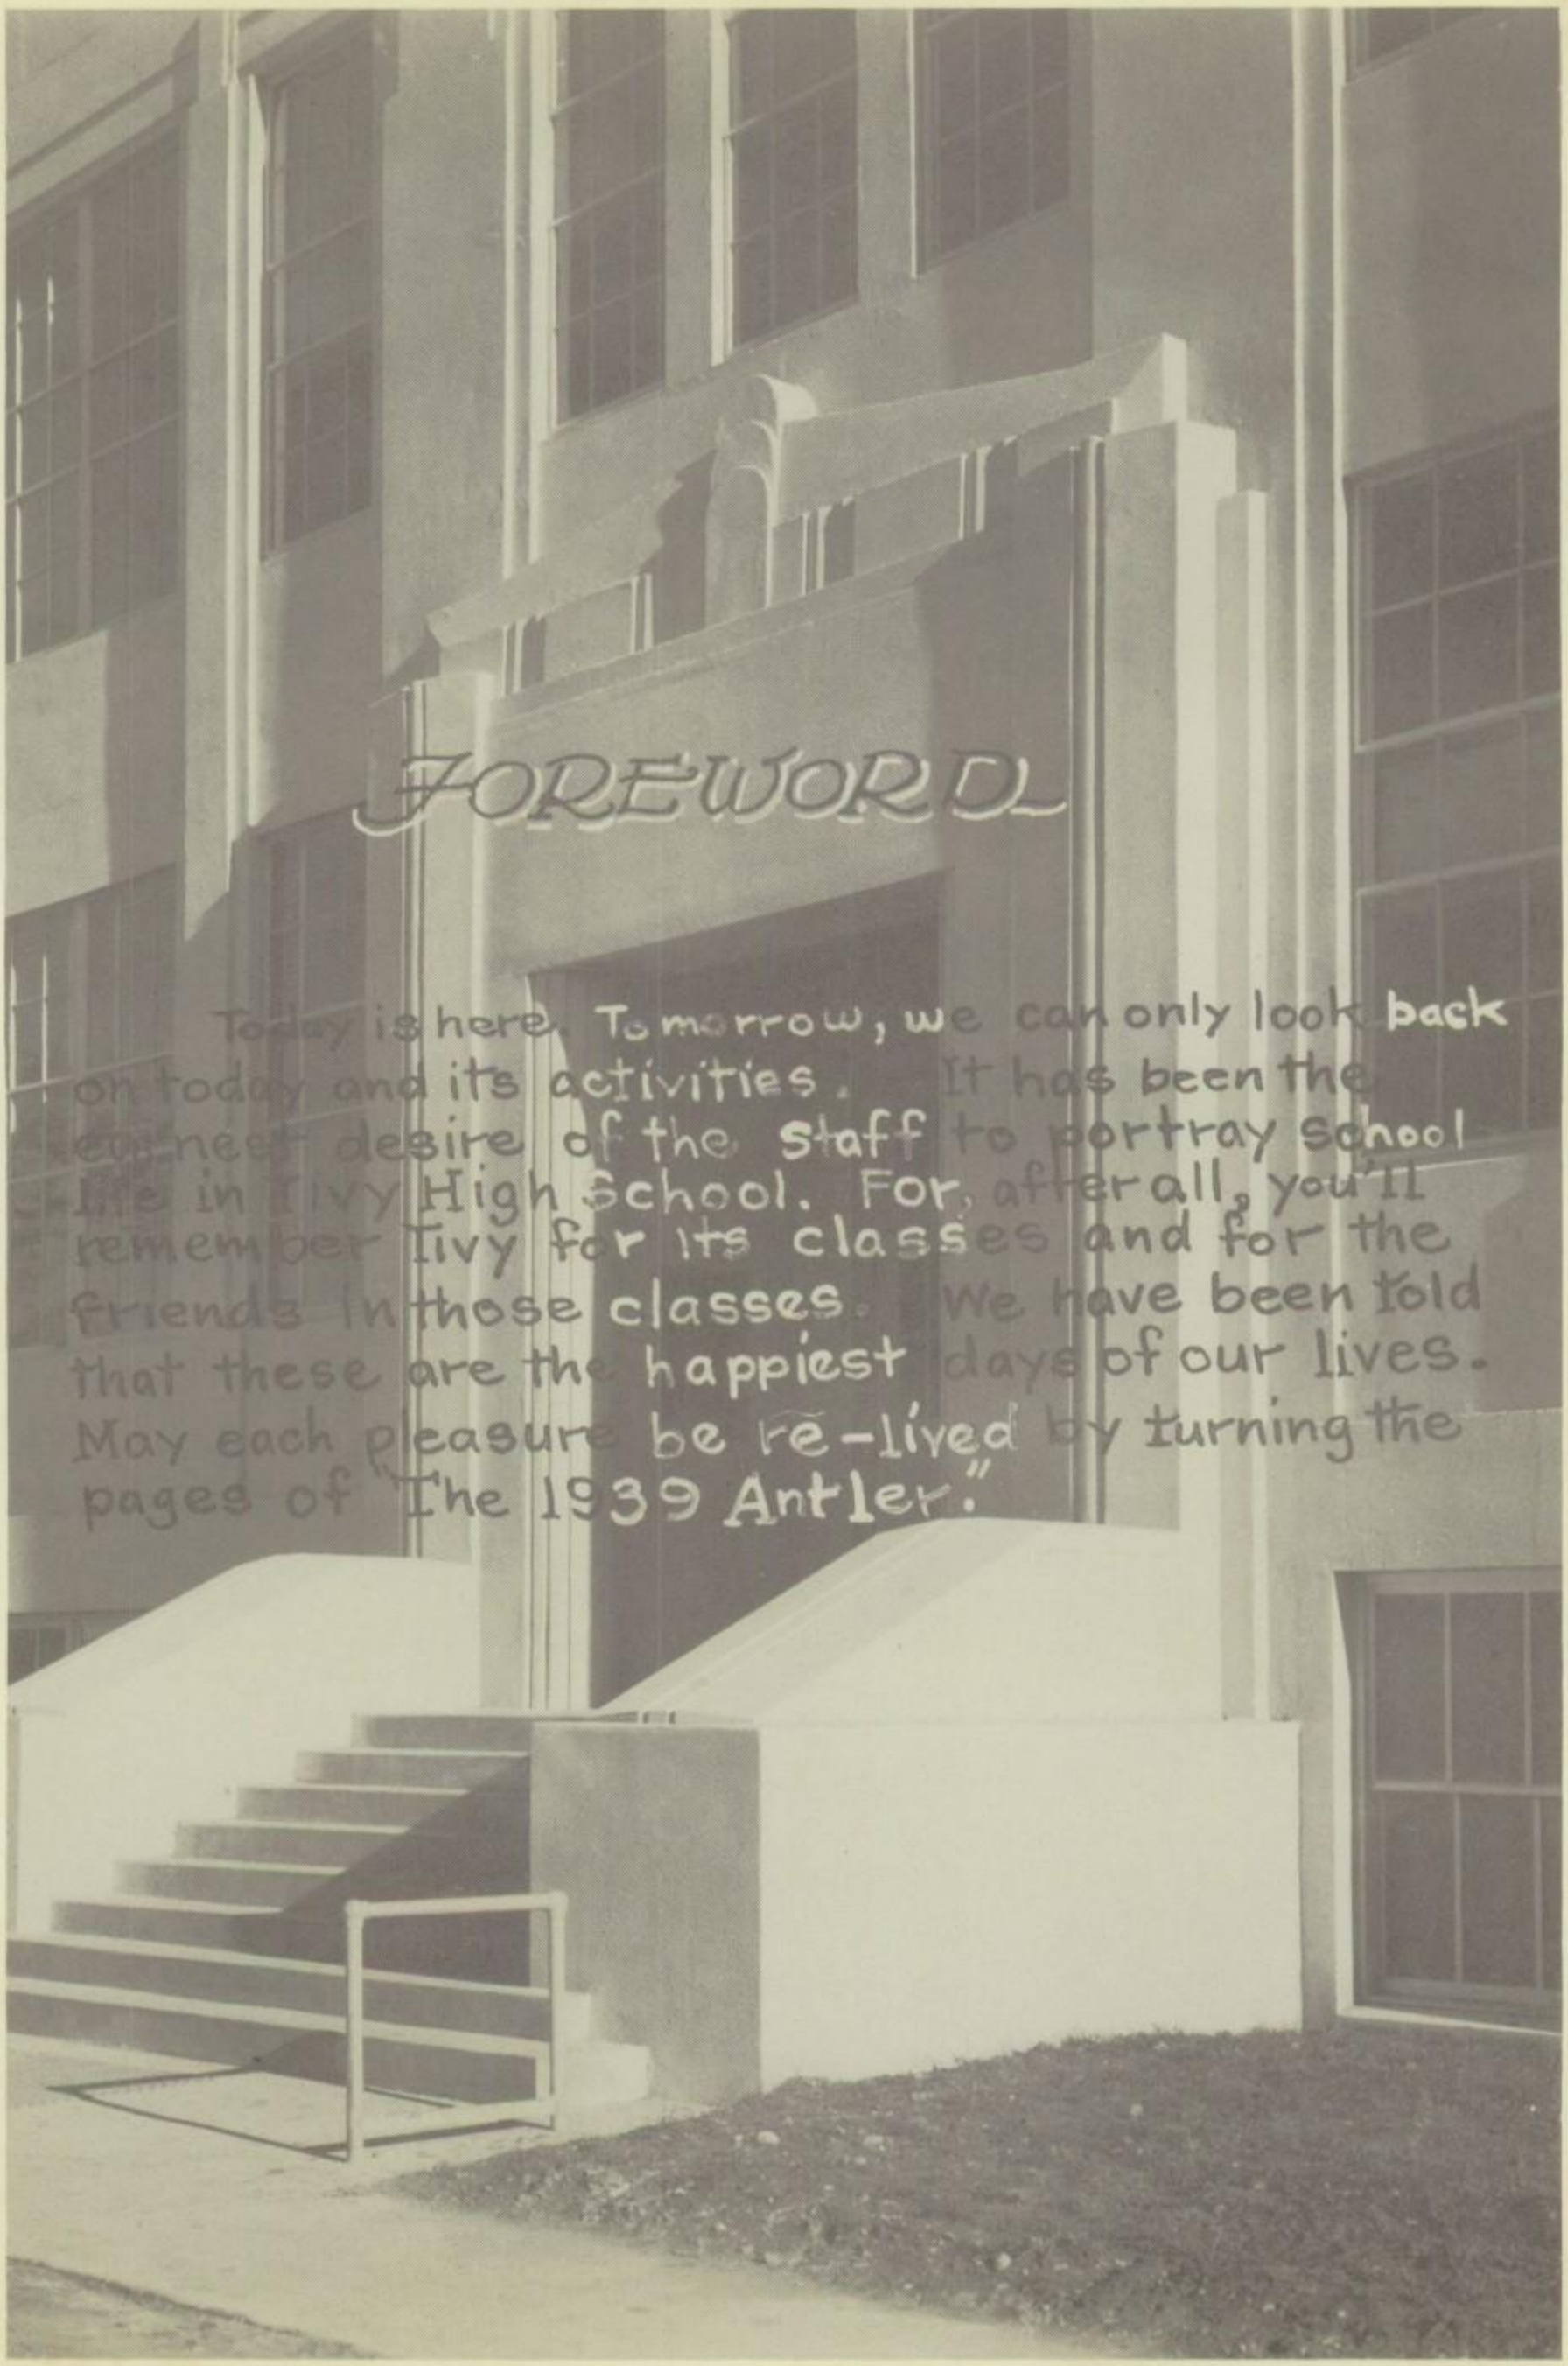
DEDICATION

You dreamed of renewed school spirit, a new building, & better facilities for learning. You spent hours in planning for the future of Tivy High School. Meanwhile, you have found time to be prominent in the civic, the religious, & the educational circles of Texas.
Superintendent Moore, we recognize and appreciate all you have done for us and for Kerrville. We are proud of you, and our pride can be only partly expressed in dedicating this, "The 1939 Antler", to you - - -
OUR FRIEND.

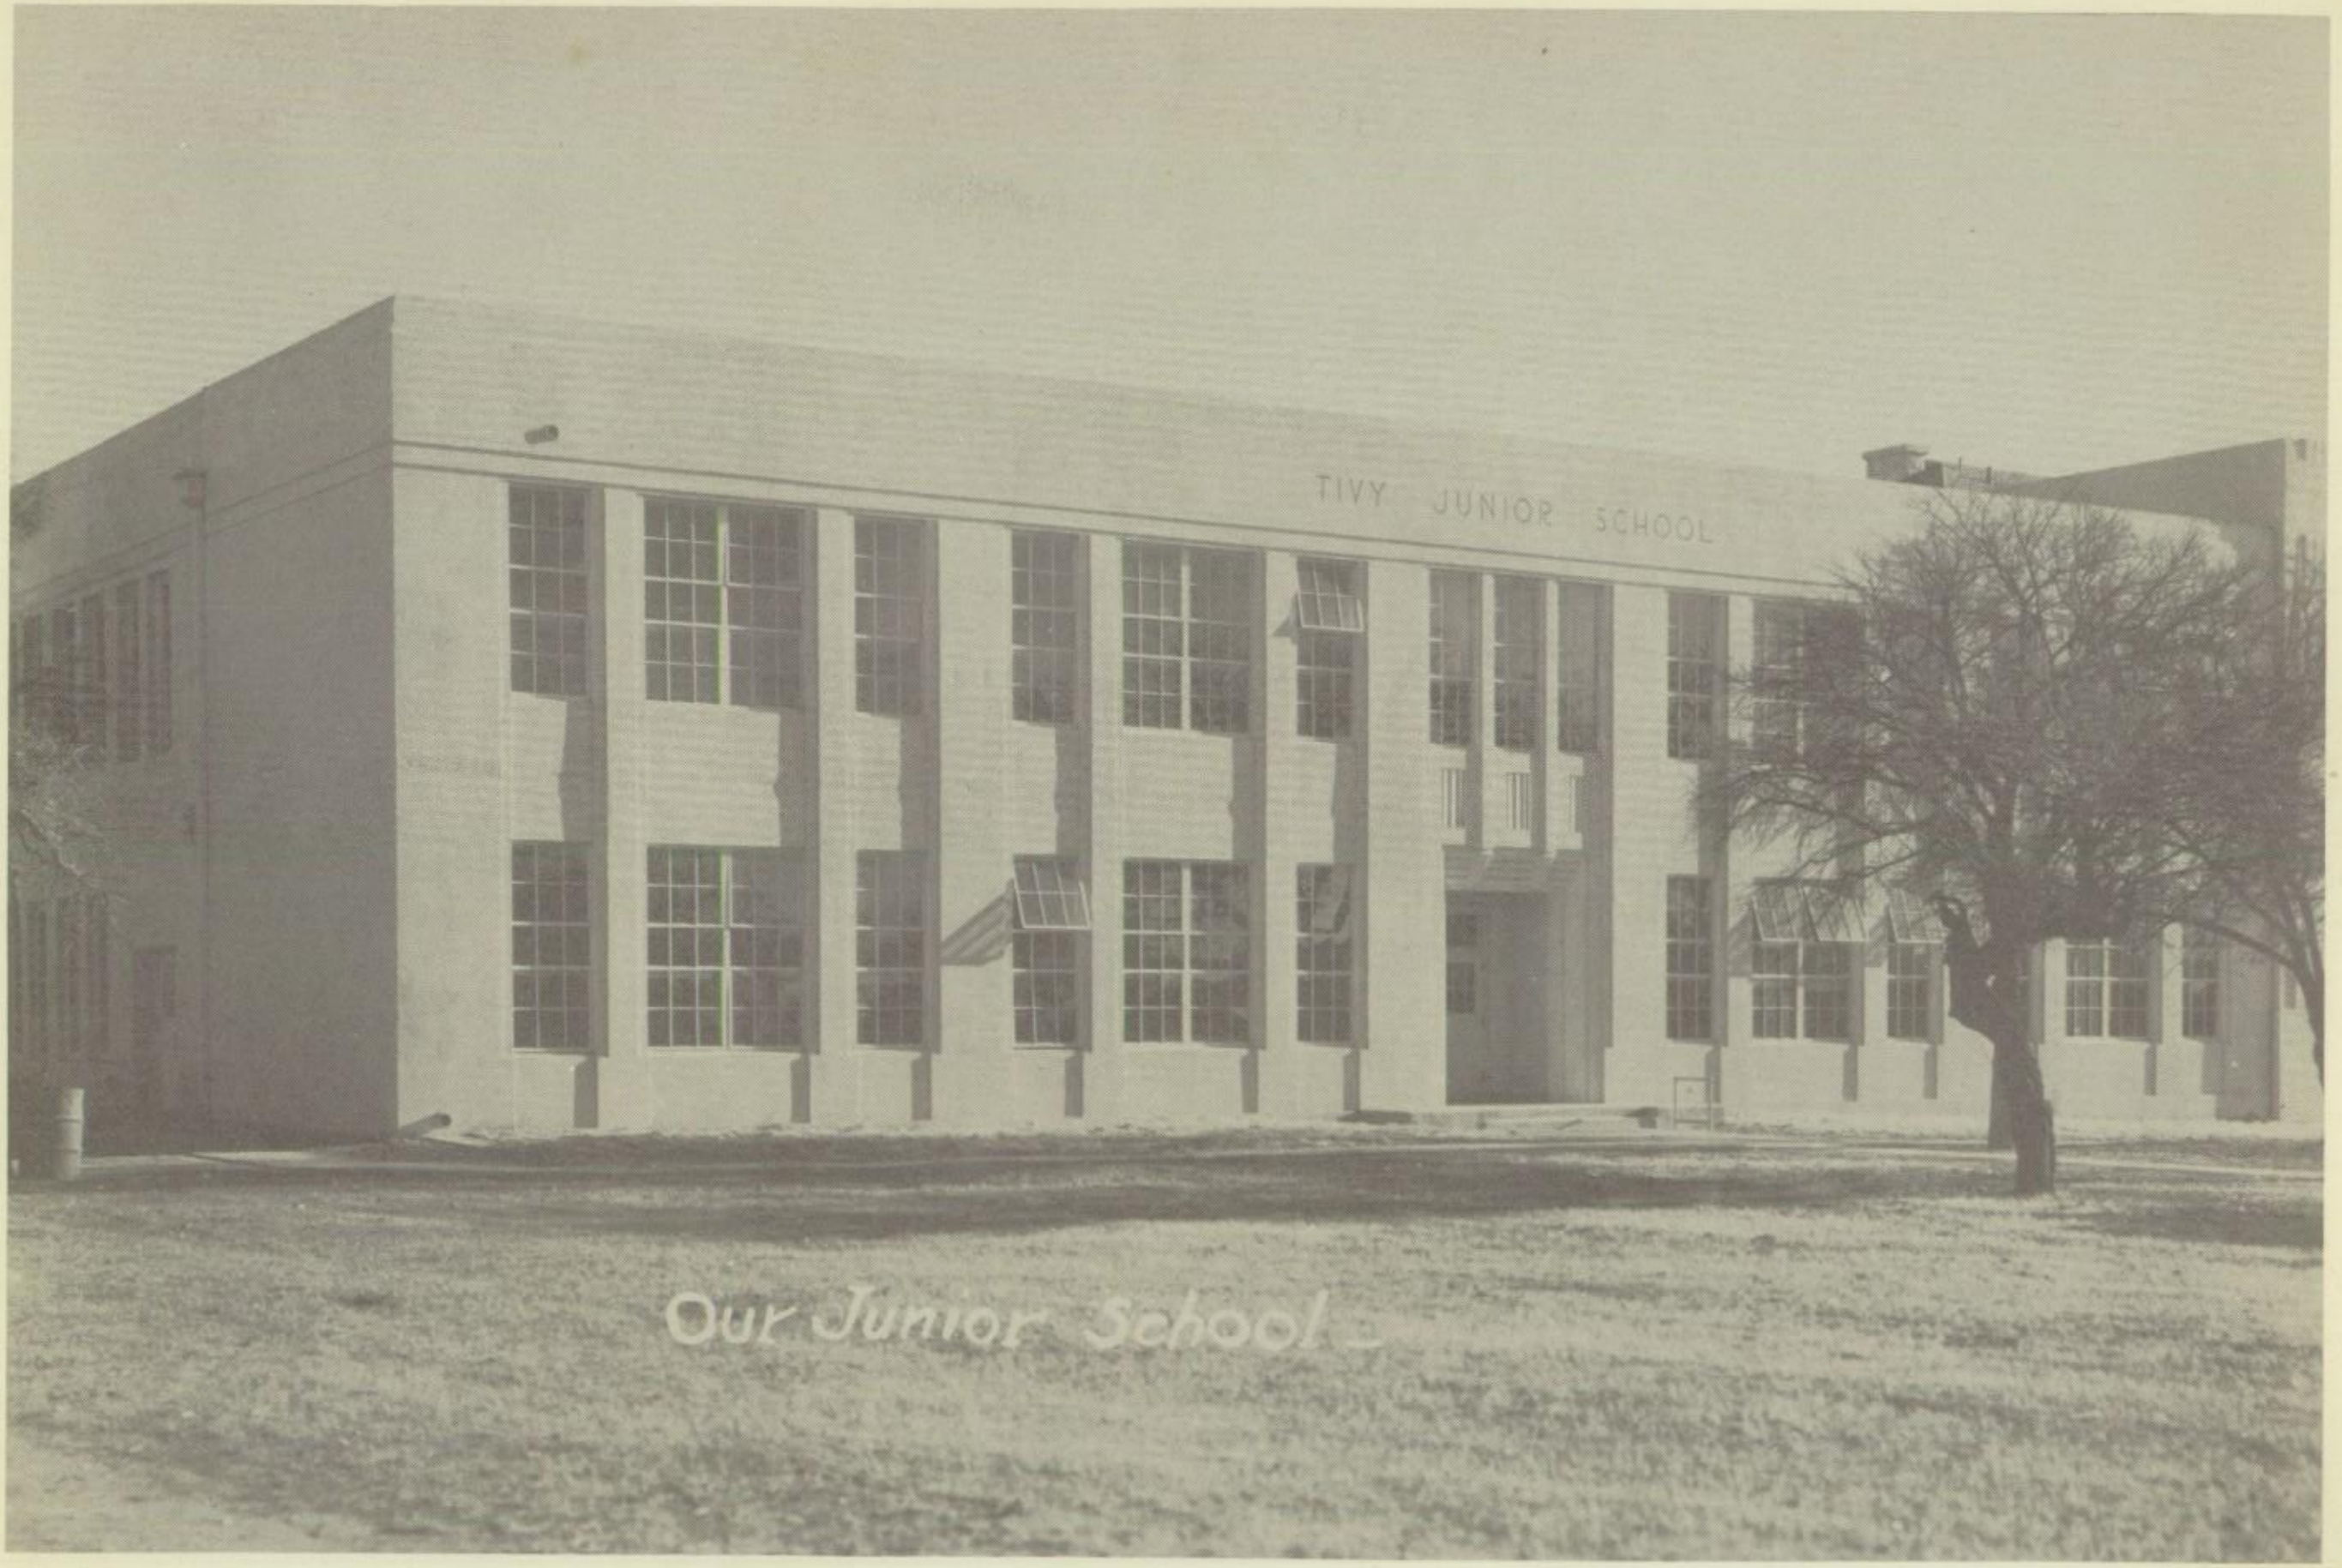


FOREWORD

Today is here. Tomorrow, we can only look back on today and its activities. It has been the sincerest desire of the staff to portray School Life in Ivy High School. For, after all, you'll remember Ivy for its classes and for the friends in those classes. We have been told that these are the happiest days of our lives. May each pleasure be re-lived by turning the pages of "The 1939 Antler."

Where we go to school

Our Senior School



Our Junior School

ADMINISTRATION & FACULTY

The recipient fawn is typical of the high school as he receives learning through the administration and faculty.

BOARD of TRUSTEES

SUPT. H.A. MOORE, W.W. VANN, PAM D. GRINSTEAD
W.B. CHILDS, J.B. YOUNG, F.R. STEHLING, A.J.
LOCHTE, & J. EUGENE COWDEN (not in picture)

W.B. CHILDS	President
W.W. VANN	Vice President
PAM D. GRINSTEAD	Secretary

The influence of the Board of Trustees throughout the school district is widespread. Their direction of the Kerrville Public School system has been efficiently and painstakingly accomplished. Each member is vitally interested in the school and its activities, and their interest is reflected in each school endeavor.

Here at Tivy, we believe that high school days are a vital period in the life & development of the individual student. We believe that education is life rather than a preparation for life. Naturally, the activities of the students reflect this philosophy of education.

In portraying the interests & activities of Tivy High School, The 1939 Antler presents a resume of the year's work. We who have had the privilege of working together this year will peruse these pages with increasing interest as the years come & go. Time will enhance their value. My heartiest congratulations are extended to the staff & students for the portrayal of life at Tivy High School as depicted in the 1939 Antler.

H. A. Moore

Greetings to Tivy students! I am sincerely pleased at having this opportunity to express my appreciation for the fine work done by you this year. We have a splendid student body, with high ideals, worthwhile attitudes, and a wonderful spirit of cooperation. As a result we have set a high standard of achievement for 1938-39. These things which we have accomplished are pictured for you in this book. We will ever be proud of our fine students & the fine work done by them. In addition, congratulations to a hard working staff of students & teachers who so tirelessly worked to produce this outstanding book.

James E. Swann, Prin.

"A building is no stronger than it's foundation." Students of Tivy High, you are now building the foundation for your adult life. A firm foundation will come only as a result of many hours of hard work.

The ultimate aim of all education is Citizenship training. Practice being good citizens as you travel through school and certainly you will be working toward this aim.

FEATURES AND ACTIVITIES

Photo courtesy Dr. T.M. Pinson.

For three consecutive years, a doe near Kerrville has borne triplets. Truly that is a feature of this locality. The 1939 Antler has concentrated on "The School at Work", and the results are features of this section of the annual.

THE SCHOOL AT WORK

The interests and activities of the High School students group themselves according to the five core areas of a high school curriculum: Language Arts, Home & Vocational Arts, Mathematics & Science, Social Relations, & Creative & Recreative Arts. This section features work done in those divisions.

Tivy High School is a member of the Southern Association of colleges & secondary schools, to which the most progressive & outstanding high schools in Texas belong. This membership enables a graduate of Tivy High School to enter any college in The United States without question.

LANGUAGE ARTS

This department consists of English, Spanish, Public Speaking, & Debate.

Mrs. Henry Steves heads the English Department. She is assisted by Mrs. J.H. Vordenbaum, & Miss Violet Sahm. English classes are becoming pleasures, & are nit the proverbial bores of old. Round table discussions, models of parliamentary pro-ceedure, jury trials, & practice debates are held. One-half of the year is devoted to a course in Literature, & the other half to grammer. A feature of Senior English is the Weekly Vox-Pax variety program to rid students of stage fright & blue Mondays.

Three years of Spanish are offered by Miss Lucy Marberry in her Spanish Dept. Spanish classes are made interesting by studies of Mexico, Spanish songs, and readings of stories written in Spanish. Piñates are a feat--ure of each Christ--mas season.

A full year of Public Speaking was offered this year for the first time, by Miss Marium Hood. During the first half, a thorough study of oral expression was made. The last half was devoted to the study of dramatics. A melodrama and a one act play were presented by the class.

Mrs. J.H. Vordenbaum coached the debaters for Interscholastic League participation. The question for study was: "Resolved: That Texas Should Adopt a Uniform Retail Sales Tax." A feature of the study was a trip to the Debate Institute of Texas University at Austin.

HOME AND VOCATIONAL ARTS

The largest core area is Home and Vocational Arts, which may be divided into Homemaking, Vocational Agriculture, Trades & Industries, Bench Wood-work, Mechanical Drawing, Typing, Bookkeeping, Stenography, Commercial Arithmetic, & Commercial Geography.

Three years of Homemaking are offered by Mrs. Lorena Marsh. Over one hundred girls are enrolled in the classes. The year is divided into 18 weeks of foods & the same number of weeks of Clothing. The girls have had a style show, a Mother-Daughter Banquet, a candle-light initiation service, a luncheon for the Service Clubs of Kerrville, & exhibits in downtown show windows. Each year, the Homemakers conduct the concession stand at all home Football games.

Three years of Vocational Agriculture are offered to boys interest-ed in that work. Mr. Harper Rawlings, teacher was succeeded by Mr. Cecil Clendenin, who came to Tivy in March. Some achievements of boys in Vocational Agriculture are: Entrance in events at Dallas State Fair, participation in Kerr County Boys' Stock Show, Second & Third places in Moody Judging Contests, & participation in San Antonio, Fort Worth, and Houston stock Shows.

Mr. F. L. Winkey is in charge of Trades & Industries, Bench Woodwork, & Mechanical Drawing. Three hours are devoted to Trades & Industries. Much practical experience was received, when the boys built an addition to the Gymnasium. Showers & dressing rooms for the girls were built. Bench Woodwork classes furnished interesting exhibits of study desks, night stands, lamps, game boards, tables, magazine racks, & bookcases. Through Mechanical Drawing, boys become interested in making plans or working drawings. Plans are made for all projects before they are started in the shop. The boys of the Mechanical Drawing class made the plans for the drawing tables shown, while the shop classes constructed the tables.

The Commercial Department is in charge of Misses Lee Una Sullivan & Wilma Doane. One class of Commercial Arithmetic is offered by Mr. David Coleman, and this course is preparatory for Book-Keeping.

About one hundred and thirty students are enrolled

in typing. Eight members of the class composed a typing team for Tri-County Meet. One credit is given for a year's work, provided the student types thirty words per minute with not more than three errors. Projects furnished much amusement and pleasure.

Two years of Stenography are offered. In these courses, students are given training for office work. The second year of stenography is organized into a business establishment with a President, Vice President & etc. A feature of the course is practical Knowledge gained by working in downtown offices for one week. Bookkeeping is studied from a personal, as well as a business, viewpoint: Practice sets of books are set up & maintained. After a year's training, a graduate is frequently ready to assume a position of responsibility as a bookkeeper.

Commercial geography and commercial arithmetic are comparatively new subjects.

MATHEMATICS AND SCIENCE

Miss Doris Partee was head of Mathematics until February, when she was succeeded by Mr. Ruben Fausler. Mr. Howard Black has charge of all Sciences.

Two years of Algebra, Plane Geometry and Solid Geometry are offered. All classes are conducted with view of preparing students for higher Mathematics and for Engineering courses. Students explain difficult steps, and student expression is stessed.

Mr. David Coleman and Mr. Herman Vetter have classes in Algebra, and Mr. Fausler has Plane Geometry

Solid Geometry was offered during the fall semesters and one-half credit was given. Many amusing incidents presented themselves. Attempts have been made to prove two is equal to one. The success of these attempts cannot be described. Math is ceasing to be the "bogie bear" of all students. Instead, it is a practical course with many everyday applications.

Mr. Black's Science classes are large ones. Biology Physics and Chemistry are offered. Biology students have enjoyed taking brief views into all other Scienee courses. Class work is worked in with laboratory work, and real specimens are used. The Physics class is composed entirely of boys, and much is accomplished.

One of the most interesting units of study was electricity. Chemistry classes spent the majority of the time in the laboratory. Everyone concerns himself with facts, and not dates and dry historical facts. Science students often use part of their library periods to do extra work. All work is a challenge to the thinking minds of the pupils. Accuracy is a necessary requirement, and is strived for by all who are enrolled. Field trips have proved themselves to be particularly interesting and educational.

SOCIAL RELATIONS

Miss Harriet Garrett is head of Social Relations, which consists of Modern History, American History, Texas History, Civics, and Economics. She is assisted by Mr. David Coleman, Miss Tillie Real, & Miss Beatrice Kincaid.

In History Classes, students make their own map books, and all work is bound into these map books. Debates on current topics and those of the past are regular features of all classes. All work is done on the basis of specific units of study. Current History Clubs meet frequently and each student contributes a brief talk on some happening of the present time. Dates are not stressed----, instead students learn to benefit from the experiences of others and practical applications are made. Every student is required to take American History which includes an analysis of the constitutions of Texas and The United States. Miss Kincaid teaches Modern History, and Miss Garrett has all American History Classes.

Texas History was offered for the first time during the spring semester. One-half credit was given for this work, which is under Miss Real.

Enthusiasm is high in this class, which is one of the largest half-year classes.

Civics is, in reality, a course for Seniors, who are interested in advanced History. Classes in Civics are usually small, but all students are very interested in the course. Each member subscribes to "The Literary Digest" & reads it weekly. Civics students usually succeed in Extemporaneous Speaking.

Economics was offered during the fall semester by Mr. Coleman. It is a half-year course, which is very practical for every high school graduate. Facts gathered for Economics are useful in all other classes and in all walks of life.

CREATIVE AND RECREATIVE ARTS

This core area consists of Physical Education Art, and Music. All courses are favorites.

Miss Elizabeth Brautigam directs the girls, and Mr. Carl Price has charge of the boys. The girls' work was made a great joy by the addition of a girls' dressing room, showers, lockers, and a game room. Volley ball, basket ball, soft ball, soccer and tenni-quoit furnish a variety of sports for girls.

Boys' physical education offered football, basketball, baseball, and directed games. Two lectures a week were given by the instructors.

Art has been offered for high school credit by Miss Claribel Rewschel, who was succeeded by Miss Roberta Alexander. Two different courses are offered to high school art students. A large group of would-be "artists" were enrolled.

Music VI, which is vocal work, is offered by Mrs. D.W. Bennett. The girls in this class have made many public appearances, and their ability can never be under-estimated. A sextet was particularly popular at many local functions.

A class in music composition was offered by Mr. Herman Vetter. Five girls composed the class.

The band was organized in September 1938 under the direction of Mr. P. C. Martinez. It is a Junior-Senior organization, composed of fifty-five pieces. It participated in the "Battle of Flowers" parade during Fiesta Week in San Antonio. The orchestra is composed of eighteen members, and a string class was organized during the second semester. The band and orchestra presented a joint concert on March 23, and that was culmination of much successful training.

ANTLERETTES

President ---- EULALIAH BALLARD
Secretary ---- JOYCE LOTSPIECH
Sponsers -- Miss ELIZABETH BRAUTIGUAM

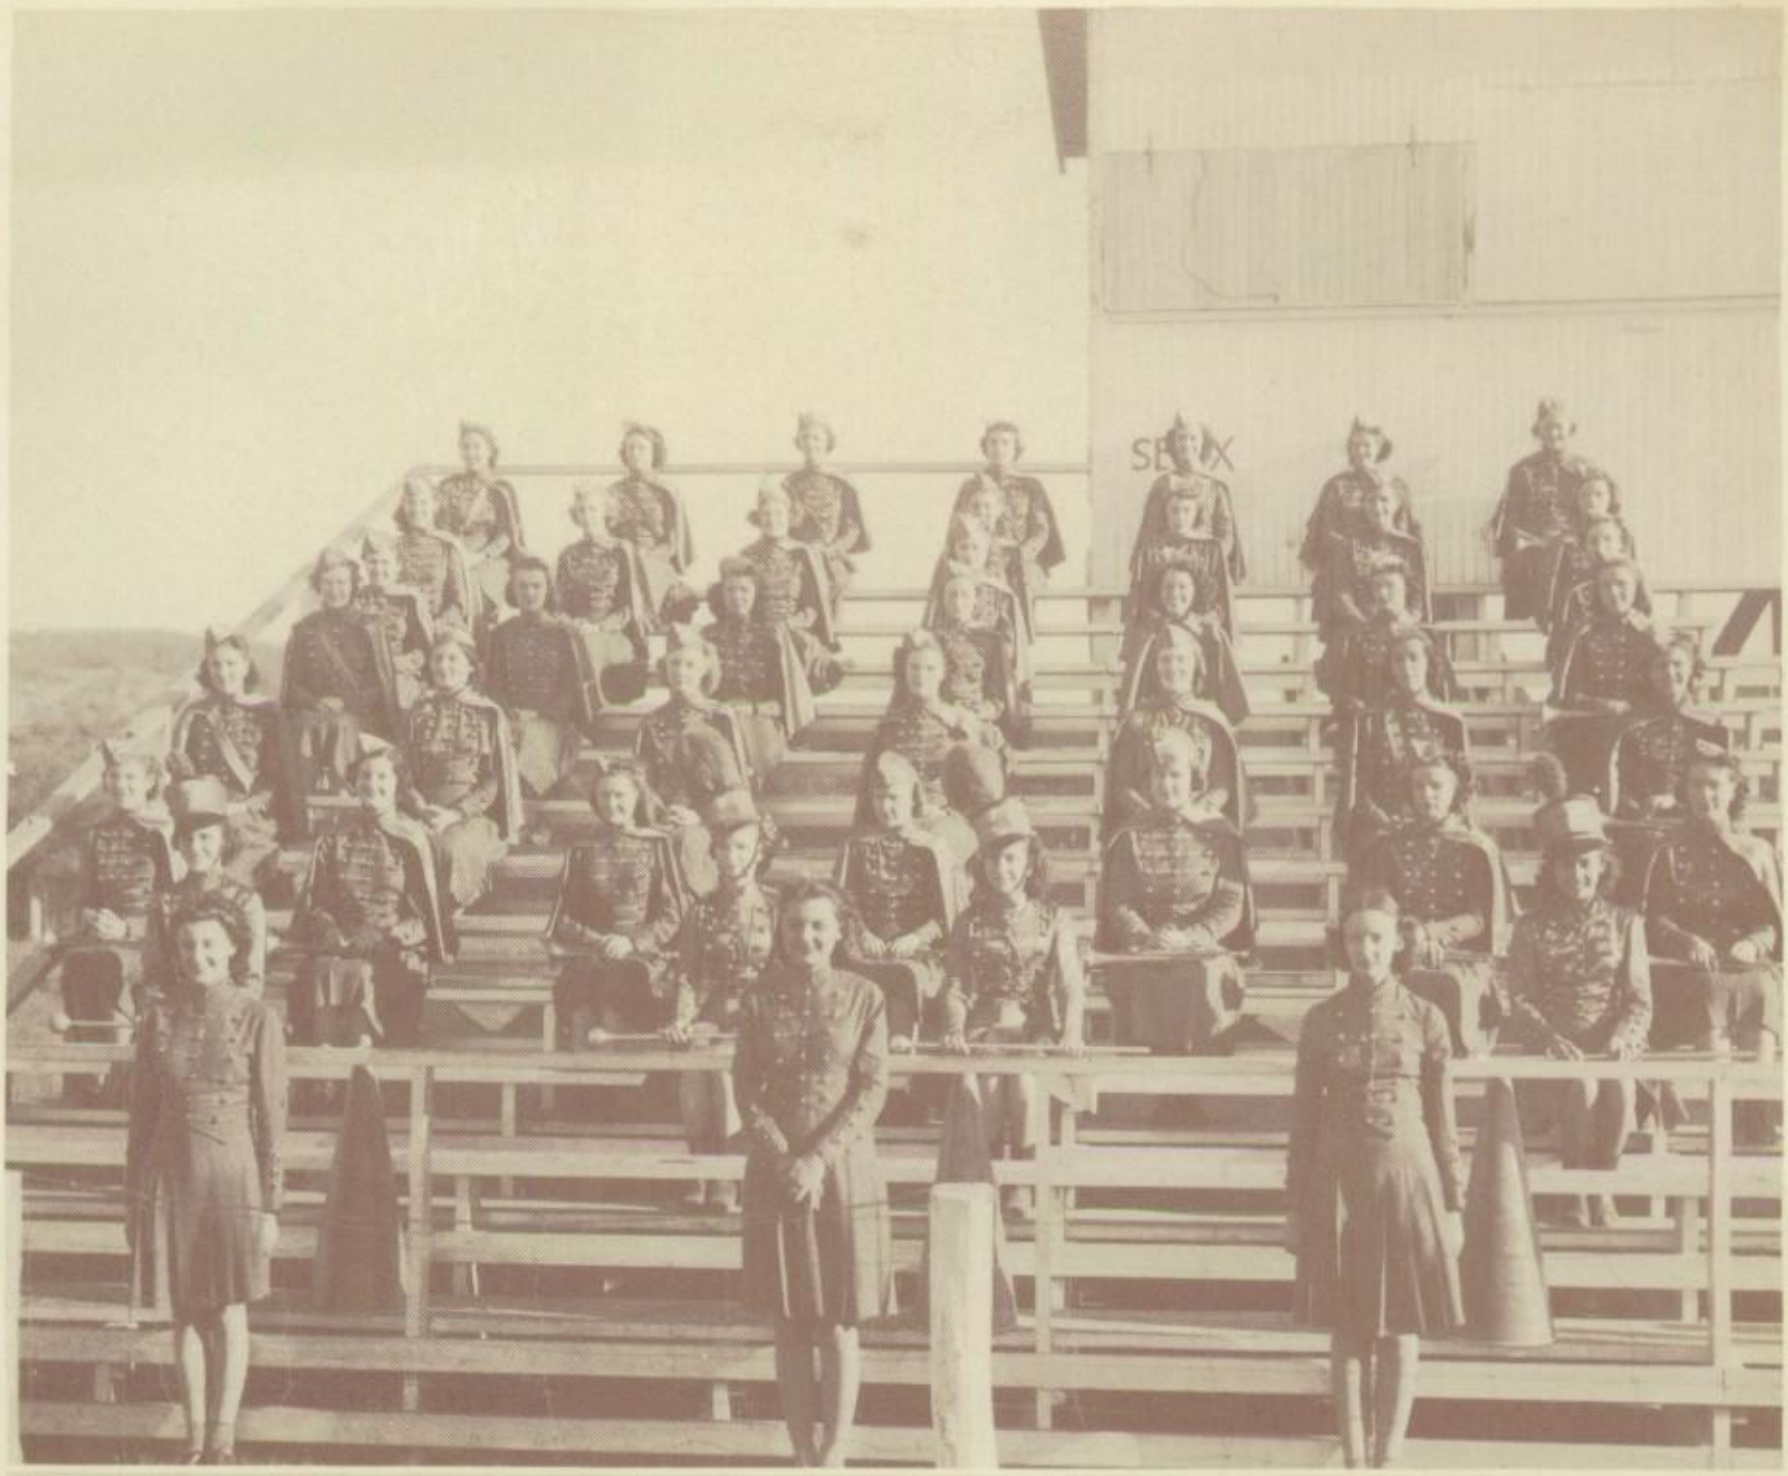
JACK SWEARINGEN.
Leader of Scrappy -- MARY LOUISE AULD



Tivy's all girl pep organization during past years have participated in football games, parades, & something new, basketball games. In 1936 when the Antlerettes took third place at "Battle of Flowers", they vowed they would return & make up for the defeat. The girls are so enthusiastic & cooperative that they are sure to come out on top. The Antlerettes were guest preformers for several Schreiner games & were invited to participate in the Sequin city fair. Band day at the Texas University - Baylor game was a big event of the year. Here the organization was outstanding for their colorful uniforms & well trained drilling. Under the capable leadership of Miss Elizabeth Brautigam, Miss Violet Sahm, & Mr. Herman Vetter's Antlerettes will move on & be marked in the history of Tivy as one of the outstanding organizations.

THE ANTLER

MARY LUCY MARBERRY--Advisor
LEE UNA SULLIVAN "
F. L. WINKEY "

The work of the Antler staff speaks for itself -- it is the publication of the school annual. Fourteen students have been actively engaged in preparing the 1939 Antler. They are: DONALD BYNUM, CLEVE WHEELUS, ANNIE FLO SAENGER, JACK STEVENS, GARLAND LANG, ROWLAND RICHARDS, THOMAS SPEAKMAN, HERBERT HOLCHAK, ALICE SMITH, RUTH FLEMING, RUTH BAGLEY, AYDEEN AULD, MARY ELLEN BUTT, and CORINNE CHILDS. Outside of the staff, ALFRED DOMINGUES, BILLY WILHELM, PATTY SULLIVAN, & EVANS WYATT have been quite helpful. For the first time, the Freshman class was represented on the staff. MAUD VAN DYKE was their editor.

THE TATLER

EULALIAH BALLARD ____ Editor
JOHN WHITE _____ Associate Editor
Mrs. HENRY STEVES _____ Sponsor

The Tatler Association, publishers of the Tivy Tatler, is one of the most beneficial organizations of Tivy High School. It furnishes pleasure and enjoyment to the whole student body and gives those students, interested in journal--ism, practice and a chance to display their talents. In keeping the school acquainted with current happenings of the campus, the Tatler furnishes Tivy's one contribution toward Literature.

TIVY SAFETY PATROL

CHARLES ROSE ~ Captain
PAUL GRONA ~ Lieutenant
HEWLETT FOURTON "
BILLY WILHELM "

HOWARD BLACK ~ Sponsor

The Tivy Safety Patrol was organized in 1937. Since that time, there has been no casualty on the school grounds. Patrolmen direct the traffic at street intersections before school, during the lunch hours, and after school. The Patrol is under the joint sponsorship of the Senior High P.T.A. and the Kerrville Junior Chamber of Commerce. Thirty boys are actively engaged in carrying out the duties of the Safety Patrol.

THE BATTLE of THE BUCKS

"T" ASSOCIATION

The "T" Association is the organization of all boys who have earned a letter in one or more sports. There are no regular meetings, but the team captains are always selected by the organization. Immediately following the football season, the boys are entertained at one or more banquets. This year the association is one of the largest in the history of Tivy athletics.

OUR SEASON'S RECORD

Starting with nine lettermen from the team of 1937, the Tivy Antlers captured the 12-A District championship. Under the direction of Coaches David Coleman and Carl Price, Tivy came through with eight wins and three losses. In the middle of August the Tivy Antlers prepared for the game with the Plainview Bulldogs. After the first two weeks of practice, things began to smooth out, and the coaches settled back in their easy chairs with the thought of the district championship.

A long and tiresome trip brought the Tivy eleven to Plainview. Here Tivy was downed by a close margin of 7 to 6, which proved that the Antlers were a team that should not be forgotten in the district race.

Tivy won from Weslaco by a score of 13 to 6. This game was the first one of the season to be played on Tivy field. The second string saw plenty of action.

For the third game of the season the Antlers took a trip to the coast to play the Corpus Christi Buccaneers. The crowd was surprised to see that the Antlers were leading at the half, but the second half ended with the Buccaneers out in front 38 to 13. Incidentally, the Buccaneers won the State High School Championship of Texas.

After winning one out of three games, the Antlers crushed the Tech Buffaloes of San Antonio to a tune of 24 to 0. Surprising the crowd, Bridges and Jiminez popped into the sportlight. This was the first district game of the season.

In the second game on Tivy field, the Antlers upheld the two-year tradition by trampling the Junction Eagles 27 to 0. This was a gala occasion for the reserves. This game also was the second of Tivy's string of shut-outs.

Tivy's fourth game away from home was with Laredo High at the Bulldogs' home field. This was a brilliant game for the Laredo fans. Neither team made a touchdown in the first half. In the second half, because of the blocking in the line, "Frail Willie" Coleman was able to shake off a few tacklers and cross the goal line for his "dear old Tivy High." Failing to make any more points, the Antlers left the Bulldogs defeated on their own field. The score was 6 to 0.

Then the Tivy Antlers played the next game with the San Antonio Brackenridge Eagles. This was the second district game.

It was the one that decided the 12-A District championship. The big "bomber" for the Eagles was Milton Crain, the All-District plunging back. Line plunge after line plunge took place, but still the gold and blue would not give an inch. It took our "All-State Willie" to make our scores for us. The passing combination between Coleman, Rabalais, and Trapp increased the score to 19 to 0.

Tivy pulverized the Harlandale Indians in the third district tussle, 31 to 0. This was an easy victory for the Antlers. Even the subs saw plenty of action.

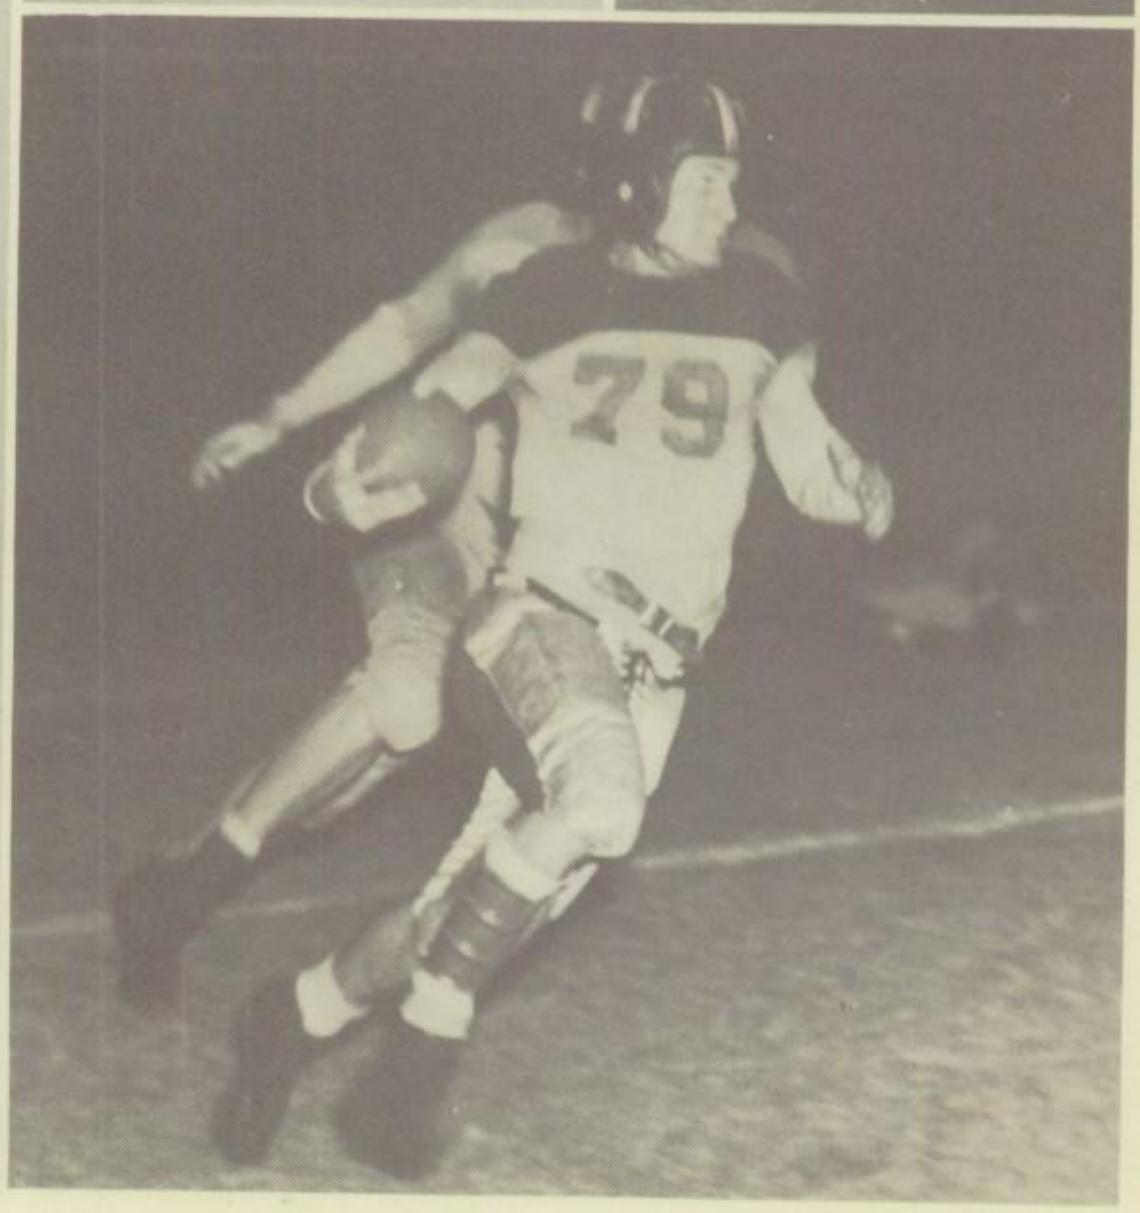
With a two weeks' rest, the Antlers made another trip to San Antonio to play the Jefferson Mustangs. This game was one that the players had been looking forward to. They remembered the beating they took in 1937, and they were out for revenge. It was hard going, but the boys of Tivy were out to do or die, and they did it by defeating the Mustangs 18 to 6.

November 25 was the date for the game between Tivy High of Kerrville and the Austin Maroons of Austin, to decide upon the District championship. Thousands of people crowded the grandstands to see our All-District Coleman fight it out with Parke of Austin. The Capital City lads were not strong enough to hold the plowing Antlers. The Antlers ran the score up to 31 to 6 before they stopped, taking the championship of District 12-A. Tivy now moved into the finals to meet Temple at Austin for the bi-district game.

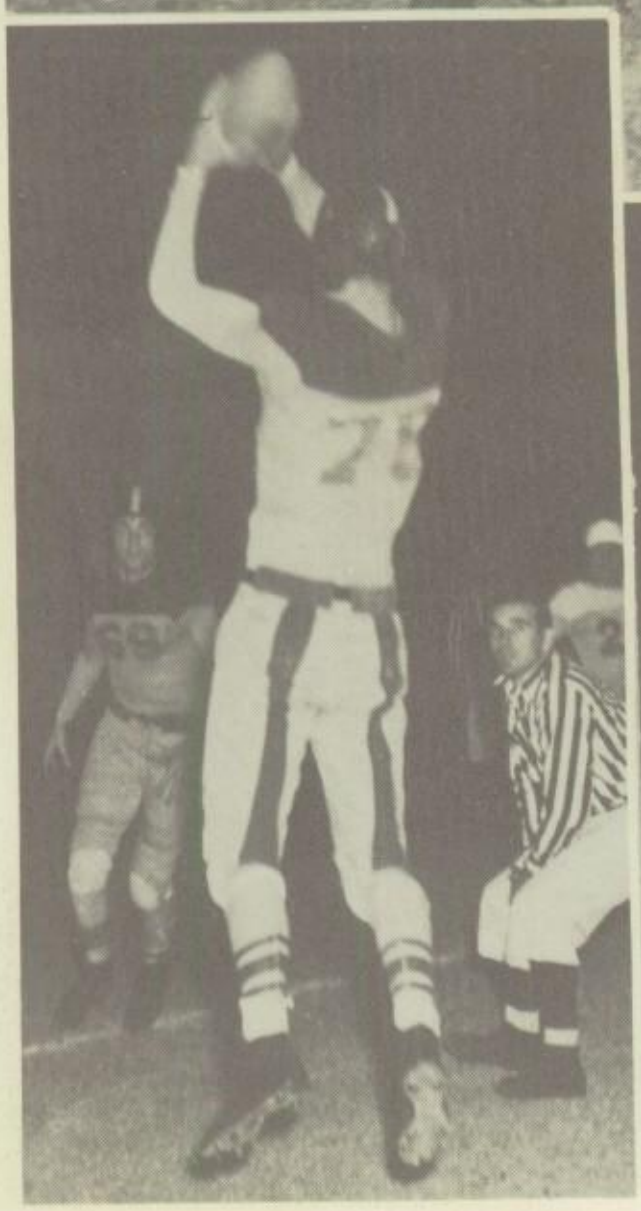
The Tivy Antlers lost to the Temple Wildcats in the bi-district race under the sweltering sun at Memorial Stadium. Pickett led the Wildcats to a 27 to 7 "heartbreaking victory." It was Tivy's first day-game since the final in 1936. Coleman crossed the goal line in the final period with Rabalais converting, giving the only Antler score. (The Antlers will have another "crack" at Temple next year when they play them in an early game schedule.) Although the Antlers did not win their last game for bi-district they had an exceptionally good season.

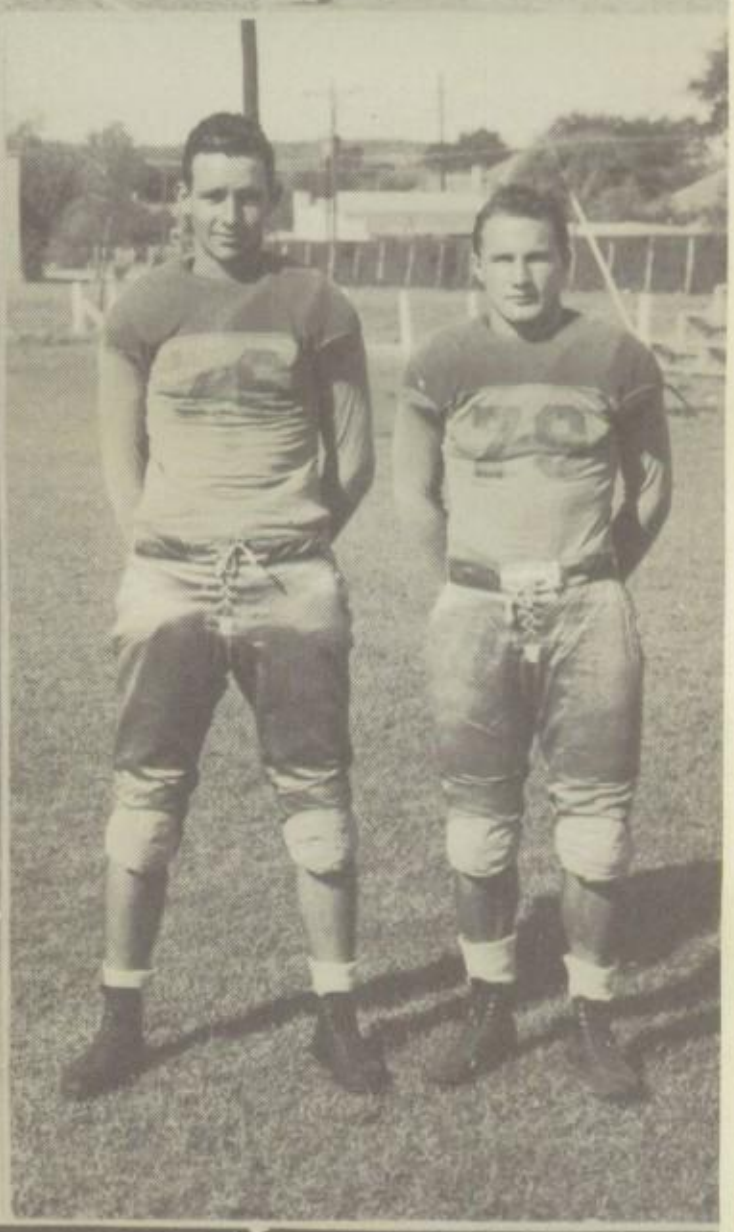
An old tradition that was started in 1935 in the Harlandale game and a tradition that has been upheld three consecutive years, '36, '37, '38, is that the Antlers have not lost a game on their home field since lights were installed. Every boy next year, and all years to come, will strive to uphold this tradition.

Tivy will mourn the loss of nine boys at the end of this scholastic year. They are William Coleman and Hunter Rabalais, co-captains, who were members of the 1936 team; three more who receive special men-



tion for their blocking and tackling ability are Billy Wilhelm, Thomas Speakmon, and Garland Lang, in the line Clovis McDonald, Alfred Domingues, Bill Mullins, and Bill Shand are going to be missed.





50

GIRLS' ATHLETICS

The baseball and volleyball teams showed up very well in the Tri-County Meet. The baseball team was coached by Miss Brautigam and Mr. Davis, while volleyball was under the direction of Miss Sahm.

The 1939 Tivy basketball team completed the season with a fairly successful record. Under the direction of Coach David Coleman, the team amassed a record of 8 wins and 14 losses. Although possessing not the greatest amount of ability, the Antlers showed "the grit and never-say-die spirit" that is characteristic of all Tivy teams. Tivy was outclassed in the San Antonio Invitation Tournament and suffered overwhelming defeat at the hands of Jeff Davis and San Jacinto. However, they partially redeemed themselves by advancing to the semi-finals of the Center Point Tournament. The climax of the season came when the Antlers defeated Center Point to win the County Championship. In the District Tournament Tivy was defeated in an early round to end the 1939 season. Due to the increased interest in basketball and the return of five lettermen, the 1940 team is expected to show much improvement.

TRACK

The 1939 Tivy track team consisted of William Coleman, William Mullins, Bud Coleman, Alfred Domingues, Hewlett Fourton, Manly Cooper, Lynn Mullins, Billy Wilhelm, Steve Boultinghouse, Everett Kelsey, Oscar McCaffity, Wayne Osborne, Carson Kincaid, Herman Wille, Len Pickens, and Caspar Wilhelm.

In the first meet of the season at Austin, William Coleman won second place in the hundred yard dash while Fourton came through to get second place in the hurdles. At the Border Olympics, Tivy's dash man, William Coleman, brought home the bacon by winning the 100 yard dash against the strongest competition in the State. At the meets in Lockhart and Cameron, Coleman again carried Tivy colors to victory by winning the dash at both the meets. The mile relay team also showed the dust to some competitors in these meets.

March 18 is the date the Tivy track team has been looking forward to for a long time. The ones placing in this meet go to the District Meet in San Antonio. From the results of the County Meet, Tivy will send many representatives to the meet in San Antonio. Tivy will also be well represented at the Texas Relays in Austin.

TENNIS

There were many prospects for girls' tennis this year. By an elimination tournament the following five girls were chosen: Alice Smith, Alice Kott, Mary Ellen Butt, Patty Sullivan, and Geletha Cobb. Three of these girls will be chosen to represent Tivy in the Tri-County Meet. They have been coached by "Skipper" Brautigam.

TENNIS

Left to Right:-- HOLCHAK (Captain), LANG, DICKEY, Coach TOM DANIELS, HARRIS, GROSS, SLOANE.

GROSS GIVES A POWERFUL SERVE

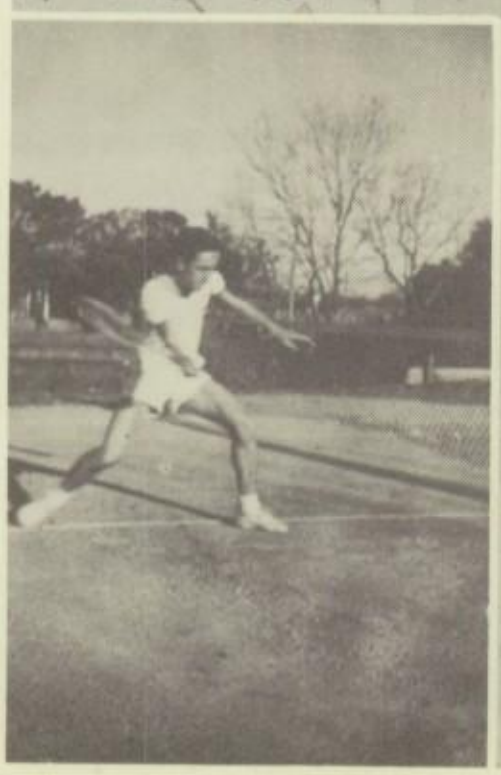
GROSS USING A LOW DRIVE

Coach Tom Daniels opened the 1939 Tennis Campaign with two of last year's team members, Herbert Holchak and Waller Gross. With the reporting of Dickey, Sloane, Richards, Lang, and Harris, the tennis outlook was very bright.

In the first match with the strong Jefferson Mustangs of San Antonio, the Tivy netters, although defeated, gave a good account of themselves and gained some valuable experience. In the No. 1 singles match, Holchak was defeated 6-2, 6-4, by John Hickman. Gross, playing No. 2 singles, lost 6-0, 6-2. Lang and Richards were defeated by the Jeff No. 1 doubles team. Sloane lost his singles match while Gross and Holchak teamed to lose to the No. 2 Jeff doubles team. In a match with the college aggregation from Schreiner Institute, the Tivy net team was again defeated. Holchak lost 6-0, 6-3, to Tom Nixon, and Gross and Lang lost their match in a close three-set battle. Sloane was also defeated in another singles match.

Several more matches are still scheduled for the 1939 Tivy tennis team, but at the time this must go to the publishers no results can be obtained on the Tri-County and District Tournaments other than the fact that Tivy is favored to win in the Tri-County competition.

HOLCHAK PLAYING THE NET



LANG FINISHES A DRIVE

HOLCHAK REACHES FOR A HIGH OM

GOLF

Tivy's golfers began the 1939 season early, starting practice matches during January. The golf team was coached by Mr. David Coleman and Mr. James E. Swann. This year saw the team double its membership. Early practice matches were played with Schreiner Institute. Later games included those with Harlandale, Thomas Jefferson, Thomas Edison, Brackenridge, and San Antonio Tech—all of San Antonio.

The Third Annual Tivy High School Golf Tournament was held this year. Rewards were donated by the Junior Chamber of Commerce of Kerrville.

EXCERPTS

FROM THE "DIARY of A TIVYITE"

Sept. 7—Registration begins. Lots of beautiful girls and handsome boys enrolling in T. H. S. for the first time.

9—Tivy 6, Plainview 7. It won't be that story during the rest of football season, we know.

12—The opening of school has been postponed to Sept. 15 because the building isn't quite finished.

15—The first day of meeting classes. The usual confusion was present, but we'll enjoy this year. The new building is perfectly grand.

16—Tivy 14, Weslaco 6. Our first home game, and our first of *many* victories.

22—The first assembly of the year.

23—Tivy 13, Corpus Christi 43. (P. S. They won the state finals).

24—The girls all went to the Schreiner reception while the poor little town boys moaned.

30—Tivy 25, Tech 6. Had a grand time at our first district game which was played in S. A.

Oct. 5—Primary election to select the Antler and Tatler staffs. Bynum gets a majority to be associate editor of "The Antler."

6—Run-off in Antler and Tatler election.

7—Tivy 27, Junction 0. The Antlerettes had a Parents' Night for the papas and mamas of the football boys.

11—Started taking pictures for the annual.

14—Tivy 6, Laredo 0.

21—Tivy 19, Brackenridge 0. We had a big parade before the game with Model T's and all.

25—Seniors bored all as they memorized some of "Canterbury Tales."

26—Report cards for first six weeks.

28—Tivy 31, Harlandale 0.

31—At night the whole school celebrated Hallowe'en.

Nov. 5—The Antlerettes attended the Baylor-Texas game in Austin, and they also performed with many other such organizations.

11—A busy day. Antlerettes marched in Armistice Day parade. Then we all went to S. A. and saw "Frankenstein" before the game. We beat Jefferson 18 to 6.

17—Antler staff had a picnic out at Miss Marberry's.

23—Thanksgiving holidays begin.

25—Tivy 43, Austin 6. We are district champions!

28—Some of the Seniors flashed their new class rings.

Dec. 1—The gentlemen of Tivy presented a fashion show.

3—Tivy 7, Temple 27. Well, we lost our bi-district game 'neath a sweltering sun at Memorial Stadium in Austin.

8—Report cards again.

12—Antlerette picnic for football boys was a huge success.

19—Junior Chamber of Commerce banquet for football boys was a lot of fun, with Garland and William getting the Harriet Garrett awards.

21—Saw a perfectly lovely Christmas pageant.

22—Christmas holidays begin.

Jan. 3—Holidays are over, and work begins.

5—Public speaking class presented a melodrama in assembly.

20—Senior class party at the Country Club.

23—Second semester began.

26—Initiation into "T" Association, gold footballs were given to all lettermen. Report cards.

30—First Vox-Pox for Senior English.

Feb. 10—Debaters went to Debate Institute in Austin.

13—Almost everyone was on the P. T. A. Founders' Night program, portraying school and classroom work.

14—Magicians' show.

17—First performance of Junior Play.

24—Antler staff canvassed the town for annual pledges.

27—Run-off in popularity contest.

March 2—Juniors won Junior-Senior basketball game, 25-14.

8—Report cards. Senior Play cast announced.

17—Track and Field Events of Tri-County Meet.

30—Musical concert by Band and Orchestra.

April 1—Literary events of Tri-County.

14—Senior Play.

21—Battle of Flowers.

26—Senior Day.

29—Antlerette Prom.

30—Golf Tournament.

May 5—Spring carnival.

19—Junior-Senior banquet.

22—Baccalaureate Sunday.

27—Commencement.

28—Report cards. School's out! ! ! ! ! ! !

TIVY ELEMENTARY SCHOOL

TIVY ELEMENTARY FACULTY

"Little drops of water and little grains of sand,
Make the mighty ocean and the pleasant land."

Every high school student is grateful for the Elementary School and the teahers in that school. Our first teachers have made lasting impressions upon us. How impossible every assignment would be without the good foundation of Tivy Elementary School.

Top Row: Mrs. J.C. BAXTER, Principal T.F. DANIELS
Second Row: Miss ELIZABETH BREHAN, Mrs J.I. MOORE, Mrs. E.T. BUTT, Mrs. CLIFF EPPS, and Mrs. H. ROSE.
Third Row: Mrs. CARL PETERSON, Miss LYNN BURNETT, Miss MABEL DEERING, Miss LILLIAM SUTTON, and Miss DELIA WINSTON.
Bottom Row: Miss WILMA CAVNESS, Mrs. LLOYD LUNA, Mrs. A.L. HARRISON, Miss HELEN BURKHOLDER, and Miss MARY V. CARVER. (Not in picture) Miss MARY SWAYZE.

AFTERWORD

To the Staff:

"The 1939 Antler" is finished! It is the product of plea for pledges and pictures, mad spells of cutting and pasting, classes missed, late book-reports and themes, lessons unprepared, exams failed, and sleepless nights. Nevertheless, it has been a joy to work on each page. Without the coöperation of every staff member and each faculty adviser, the book would have been a hopeless failure. I am indeed grateful to Mr. Hinkey for the hand lettering which he did so beautifully, and to Miss Sullivan and Miss Mayberry for their guidance and diligent efforts to point out the best methods of procedure. It was the little jobs, you did so well, that made the book.

Corinne Childs,
Editor
